BIG Brekky

In the last week of Term 2 a dozen Killara students came along to BIG Brekky for the food, singing, Bible talk and prayer. It was exciting to see a couple of our TAG regulars bringing their friends to experience Christian community and hear a gospel talk from Al James. TAG Team (student leaders) were involved in leading the morning, along with an overwhelming team of volunteers from East Killara Uniting Church. We hope to hold a combined schools event in the near future.

Year 7 SRE

What is taught in the classroom can travel into the students' homes. I was reminded of this from a Year 7 student's worksheet response...

Q: Having studied the life of Jesus this year how have you responded to the message about Jesus?

A: "I have listened to it and shared it with my family".

Praise God for the spread of the gospel! Please also pray for Year 7 students to seek Jesus through their new topic, Search for a Saviour.

Year 8 SRE

Year 8 classes have begun looking behind the scenes of The Christian Life. In the first lesson students enjoyed discussing, "Christians are weird because..." This topic is also an opportunity for students who have decided to follow Jesus to grow in Christian maturity.

Year 9 SRE

When studying God's order and purpose in the Genesis 1 creation account one student observed, "God wanted the earth to be ready for humans".

Q: What does God's order in creation tell us about God's character?

A: "He is caring and thinks forward."

Please be praying for the Holy Spirit to transform the worldview of Year 9 students as they study the book of Genesis

YGod

A small group of keen Year 12 students have continued meeting to explore God's answers to big questions. Volunteers Peter Swann and Paolo Arimado have been working through a range of questions written by students at the YGod launch.

TAG

TAG's core group of 10 regulars are slowly forging into a community. Last week we had 3 visitors drop in who were made to feel welcome. Praise God for His work through the lives of Christian students at Killara High School.

Senior Seminars

This term Senior Seminars will be conducted by the band, 3 Union, currently on tour from the US in partnership with Campus Crusade for Christ (13th Sept). This will be the final scripture seminar for Year 12 students. Please pray for good attendance and for students to be challenged by the testimonies and gospel presentation.

1st Thursday Prayer Time

Supporters and parents are invited to Killara High School to pray for students and staff on the 1st Thursday of every month during term time. Next meeting on 7th November, 9:30am at Reception.

On the home-front, Katrina's pregnancy is progressing smoothly. We are getting more and more excited as late October draws nearer.

Thanks for your partnership in advancing Jesus at Killara High School.

Matt Mulready
SRE Teacher/Coordinator
